

Proposed C&C 99 Class 2019 Racing Schedule and Class Championship Series

| Event | Date | Participating Boats | Remarks |
|---|-------------------------------|---|--|
| 1. Boxing Rock Harbour Race | June 8 | Equinox (BBYC Start) Agent 99 Demon's Dance | Starts from BBYC and RNSYS, if enough boats are in we could all start from BBYC, good class promotion opportunity at a fun event Demon's Dance to start at BBYC. |
| 2. DYC Opener | June 15, 16 | Equinox 99, Demon's Dance and Showgirl2 can do both. Agent 99 and Hinano may only be able to do BBYC | We will include both events in the schedule and approach both DYC and BBYC for class starts/races. Both will be added to the schedule as there is a possibility Demon's dance may depart for Marblehead close to the BBYC opener |
| 3. BBYC Opener | June 22, 23 | | |
| 4. Metro Regatta | July 27 one day only downtown | Agent 99 Demon's Dance Equinox 99 | Sail NS event moved away from Chester Race week. Good opportunity to get visibility for the class. Have requested a class start, possible if we get 4 boats. |
| 5. Out Island Race | Aug 11 | Equinox 99 Demon's Dance | Will not be a class start but a good chance to tune up for Chester Race Week |
| 6. Chester Race Week | Aug 14 - 17 | Agent 99 Showgirl2 Hinano CRW only | Class racing 5 boats or more, great. Need ideas to attract entrants from away. Already approached Chester Race Week officials. |
| 7. AYC Harbour Islands Classic | September 21 | Agent 99 Equinox 99 Demon's Dance | Not a class start but a lot of fun |
| 8. Danginn | Oct 12 | Agent 99 | One day race at BBYC not a class start |
| 9. Potential one design at RNSYS | Oct 13 | Equinox 99 Demon's Dance Hinano | This is a OD regatta at RNSYS that will likely happen Oct 12 and 13. Will see if we can participate on day 2 if there is interest to wrap up the season. |

Notes:

1. Class regattas for 2019 indicated in blue fill. Events 2, 3, 4, 6 and 9 will count towards class championship if there are enough boats to have a class race/regatta.
2. In an effort to award participation and performance the suggested format for the class championship is to count 70% of the races raced towards the class championship. So, if there were a total of 15 races during the season the total would be 10 races and you would count your best 10 races. We are not sure how many actual races there will be, but we know there will be 6 in Chester and likely 3 or more in most other events. This is the format that was used in Ontario for the overall class championship and Swan Cup Trophy and since we now have the Swan Cup Trophy, I think we should use the same criteria. More details to follow.
